SAFE BARRIERS

SAVE LIVES

**So, if you're getting ready
for a pool party this summer,
take a few minutes to check
the safety of your pool barrier.
You never know, you could
just save a life.**

IN THE LAST 12 MONTHS HAVE YOU CHECKED TO ENSURE THAT....

Children are closely supervised by an adult at all times around the pool/spa?

Y	N
<input type="checkbox"/>	<input type="checkbox"/>

All gates and doors that lead into the pool area are self closing?

<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------

All gates and doors that lead into the pool area are self latching?

<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------

The pool gate is never propped open?

<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------

Your safety barrier is free of gaps, holes, or spaces that a child could try to get through?

<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------

The area surrounding your pool barrier is free of climbable objects
(e.g. BBQs, tree stumps, chairs etc.)?

<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------
