

Kidsafe 2012 National Playspace Design Awards

**Public Playspaces – \$1M or more
Highly Commended
Yokine Playground, Yokine WA – City of Stirling, AECOM and Fiona Robbé
Landscape Architects**

Yokine Playground Yokine WA Judges comments:

- Many natural play opportunities within this most lovingly created playspace
- Good use of sensory items including musical elements, sandpits and plantings
- Large amount of playable public art which promotes and supports imaginative, creative play
- Beautiful playspace that has much to offer

**Public Playspaces – \$1M or more
Winner**

Darling Quarter, Darling Harbour NSW – ASPECT Design Studios

Darling Quarter, Darling Harbour NSW

Judges comments:

- This project has broken the mould for traditional playspace design
- The water play area is truly innovative with extended water courses through the sculpted concrete and the wonderful water play equipment
- No one would expect such a rich play experience available in the CBD
