

Kidsafe 2012 National Playspace Design Awards

Public Playspaces – Up to \$500K
Highly Commended
Wombat Waterhole, Hazelwood Park SA – WAX Design + Ric McConaghy

Wombat Waterhole Hazelwood Park SA Judges comments:

- Great range of innovative elements with graded challenges that will appeal to younger and older children
- True balance of risk benefit with safety
- This playspace ties beautifully with the natural landscape by retaining the woodland trees, establishing garden beds and introducing a dry creek bed

Public Playspaces – Up to \$500K
Highly Commended
Bald Hill Playspace, Clarinda Vic – Urban Initiatives Pty Ltd

Bald Hill Playground Clarinda Vic Judges comments:

- The structures and the characters within this playspace are very imaginative
- The strong commitment to sustainable environmental design is to be commended
- Great use of natural elements and made the most of the surrounding topography to create interest within this space

**Public Playspaces – Up to \$500K
WINNER**

**Kookaburra Playground, Nurragingy Reserve, Doonside NSW
Fiona Robbé Landscape Architects**

**Kookaburra Playground
Nurragingy Reserve
Doonside NSW
Judges comments:**

- It is amazing what has been achieved in this playspace with the limited project funds
- Great children's consultation process which has lead to such a rich, diverse and rewarding playspace
- It is clear that large amounts of work were placed into relationships between the consultants, local government, state government and a philanthropist in order for this project to be realised
