

Kidsafe 2012 National Playspace Design Awards

Schools
Highly Commended
Burton Primary School, Burton SA – Design WELL Landscape Architects
and OUTHOUSE Design

Burton Primary School and Preschool SA

Judges comments:

- A diversity of rich play opportunities are available across this site
- The design of the outdoor learning environment truly supports the school and its students with their lessons
- The kitchen gardens are fantastic and the natural areas for open ended play

**Schools
Highly Commended
Hunter's Hill Public School, Hunters Hill NSW – Urban Landscape Projects**

Jacaranda Hideaway, Hunters Hill Public School NSW

Judges comments:

- A small space that has recycled local heritage elements within its design
- The open ended natural materials within this space are wonderful and this public school is commended for its commitment to natural environments
- Many schools can learn from this approach to school playspaces

**Schools
WINNER**

Parklands Grass Hill Playground, Albany WA – Parklands School

Parklands Grass Hill Playground, Parklands School WA

Judges comments:

- Very strong commitment to consulting with and engaging children as part of the design process which has led to an innovative and engaging space for children
- The unique method of combining truly natural elements with traditional playground equipment was impressive
- This playspace demonstrates children as true active participants within their environments
